Prupayder Getnet Molla

WEB \$ APPLICATION DEVELOPER

About me

Frontend developer student focused on React, Next.js, and TypeScript. Passionate about UI/UX and modern web applications. Seeking internship or junior frontend role in Poland or remote.

Experience

Personal & Academic Projects

- Built multiple frontend and full-stack applications
- Focus on UI design, APIs, and responsive development
- Experience with GitHub workflow and deployment practice

PROJECTS

Country Facts Explorer

Full-stack application using APIs and Flask backend

GitHub: <https://github.com/Plu77/country-facts-explorer>

User Dashboard

Responsive dashboard built with TypeScript and modern UI design

GitHub: <https://github.com/Plu77/User-Dashboard>
